12th August 2025

School Opening

St Michael's NS will reopen for pupils on Wednesday 27th August. School will begin at 9:00am and conclude at 2:40pm for 1st-6th class pupils and 1:40pm for senior infants. Junior infants will finish at 12:00pm for their first 3 days.

Morning yard will be supervised from 8:50am and pupils should not be left at school before this time. There will be a breakfast club available to pupils from 8:15am, starting on Monday 1st September. This will cost €3 per pupil per day.

Breaks

Break time is from 10:50am to 11:00am

Lunch time is from 12:30pm to 1:00pm

Children should bring in a small, healthy snack for break time each day. A hot meal will be given to each pupil at lunch time. The menu for the hot lunch will be sent in advance for a 4-6 week period. Please make sure to check the menu in case there is something on it your child won't eat. In which case, they should take in a normal packed lunch. Pupils must bring in their own cutlery each day and have their own bottle of water which they can refill at school if needs be. On Friday, pupils can bring in one small treat, which they can eat after their hot meal.

Books, copies and stationery

The school will provide each pupil with all the books and copies they need for the year. We will also have a limited supply of stationery for each pupil, however, we recommend they bring in their own at the start of the year. All pupils must have their own pencil case. Colouring stationery will be provided at school, but should pupils wish to bring in their own, they may do so. Please make sure that any items of stationery brought from home are labelled properly.

Uniforms

Uniforms are available for purchase directly from the school. On hot days, navy shorts may be worn along with the normal blue polo t-shirt. Please make sure that all uniforms and coats worn to school are labelled.
